

The background is black with gold Art Deco patterns. At the top, there's a horizontal band with a central vertical rectangle and diagonal lines on the sides. Below this, the title "AMIE GOES GATSBY" is written in a large, white, serif font. Underneath the title is a large, gold, stylized monogram "JL" inside a circle, flanked by horizontal lines and geometric shapes. At the bottom, the text "Deco Jewellery Collection" and "Art Nuvo Buderim" are written in a white, sans-serif font.

Deco Jewellery Collection

Art Nuvo Buderim

Amie goes Gatsby

Drawn by Aaron Favaloro....

Amie Eberhardt is a Sunshine Coast artist who is a true designer at heart. Having found her passion with sourcing natural quality stones and a flair for the intricate hand wiring of each piece of Jewellery the final result of this collection is a nod to all things GATSBY which brings to mind a bygone era that represented luxury, glamour, exuberance - all that has been captured in this collection. Enjoy....
